*Sunday* 10.30am **Easter Service.**  
*1st April*

**Calling all Gardeners for help:** the Church grounds require attention during spring and summer. Over the years there has always been a willing team of volunteers to assist with this work, but this year we would like new additions to the team. Can you help? If so please put your name on the list to be found in the church vestibule and in the Halls Foyer. A rota will be prepared for every Wednesday evening for a period of less than two hours. If there are enough volunteers you may only be required once every six weeks.

### **IMPORTANT NOTICE TO ALL HALL USERS**

We have recently had a number of incidents with intruders gaining access to our church halls, one involving theft. I would stress once again the importance of ensuring that doors are secured at all times or supervised as appropriate. In addition to securing our property, personal safety is paramount as we have a duty of care to provide a safe environment for all, especially our children and young people. In view of this we must now look at a number of security measures which can be taken to deter intruders and prevent further occurrences of this nature. In the meantime, I would ask for your full cooperation in this important matter.

Brian Compston
