Calling all Gardeners for help: the Church grounds require attention during spring and summer. Over the years there has always been a willing team of volunteers to assist with this work, but this year we would like new additions to the team. Can you help? If so please put your name on the list to be found in the church vestibule and in the Halls Foyer. A rota will be prepared for every Wednesday evening for a period of less than two hours. If there are enough volunteers you may only be required once every six weeks.
