

Raising FAITH

New event

Helping
our children
find a faith
that lasts

Discover God in the everyday

We can help our children discover a vibrant, personal faith in God. By weaving faith into the fabric of our everyday lives we can give our children natural opportunities to see and respond to God's love. But keeping God at the centre can be tough with so many other demands on our energy, time and attention.

This is where our new event *Raising Faith* will really help. We'll be encouraging you to see how much you already do to nurture faith and giving some great tips to help your child build their trust in God. Our speakers Katharine Hill and Andy Frost will share what they've learned through real-life examples ... what they've got right and what they've got wrong. Particularly if you are a parent of a child under ten, you will come away with plenty of useful ideas that you can put into practice straightaway.

As Christian mums and dads, there are so many ways you can bring God into your family life. Come and explore how you can help your child find a genuine faith of their own - help them discover God in the everyday.

Katharine and Andy will be looking at several important aspects of *Raising Faith*:
