### Pizza@Newtownbreda: Your help is needed

The first three nights have been a great success with over 50 attending each night, including many from the wider community. It requires at least ten people to help with each Pizza@Newtownbreda night. This includes advance tasks from 4.00 - 6.00pm - making dough, preparing toppings and setting up tables and other equipment. Then, we need additional people from 5.30 - 8.00pm to welcome and assist those coming to make up pizzas. And, of course, we need help with clearing up.

If you are willing to help on one or more nights, please speak to Doug or Elaine Baker 9065 2487 or [doug.r.baker@gmail.com](mailto:doug.r.baker@gmail.com) or for 26th July and 2nd August to Denis or Marge Guiler.

Please note that the **Megaw Room** is presently undergoing major refurbishment work and will be out of commission over the summer months. In the interest of Health and Safety access is restricted to **authorised personnel only**.

**Baby Jesus pebbles:** Are you going on hols this summer? Would you be able to take one of our Baby Jesus pebbles to leave at a place of your choice - be it by a beach, a view on a city break, or whilst travelling by bus, train, boat or plane? It's our outreach challenge, all you have to do is take a photo of where the pebble was left and send the picture to the Editors of the Chronicle at [newtownbredachronicle@hotmail.com](mailto:newtownbredachronicle@hotmail.com). Baby Jesus painted pebbles are available in the Foyer on the Notice Board table.

**Root Soup Fundraiser**  
**Saturday 19<sup>th</sup> August**  
**5 Ormiston Park BT4 3JT**

10.00am-12 noon: Scones, tea & coffee;  
12 noon-2.00pm: Soup & roll;  
2.00pm-4.00pm pm: Cake, tea & coffee.

I have been volunteering with Root Soup this year and am inspired watching the work they do. Root Soup is a social enterprise where people with learning disabilities or transitioning out of homelessness work together as a team to learn, grow and cater for the local community. Root Soup is part of L'Arche, Belfast, and subsidises its existence with outside catering events. With a suitable van a whole new range of catering jobs, currently logistically difficult, would become accessible to them. Van = more work = sustainability = more investment into supported programmes and community lunches = developed skills and soaring self esteem all around! **Please join me to raise money for a Root Soup van.**

Thank you, Elaine Baker
